Recognition

- ▶ A work summary from a colleague at Excelsior Software (posted on LinkedIn) 2009

“David Mullaney is one of those extremely rare and valued individuals capable of transforming goals into actions. Regardless of scope, David has the unerring ability to translate the ambiguous to the specific, charting a clear path of progression from “idea” to “reality”. His follow-through is unprecedented in my experience, discretely managing each benchmark, measuring progress, and identifying potential issues long before they become roadblocks. He gracefully adapts to shifting circumstances and understands the value of precise communication, ensuring a clear and concise flow of information to those who need it most. David is a navigator, sharp-eyed and capable, and will undoubtedly prove to be a vital asset to any organization.”
